About American Association of Women Dentists

American Association of Women Dentists goal is to continuing being the leading resource for advancing, connecting and enriching the lives of women dentists. We serve our members by offering a variety of programs and services that benefit the special needs of the busy woman dentist.

What is the American Association of Women Dentists Retirement Solution?

The AAWD Retirement Solution is based on sound structural elements that have been reviewed and successfully tested based on the fiduciary responsibilities specified in the law and regulations, from the Internal Revenue Service (IRS), the Department of Labor (DOL), Employee Retirement Income Security Act (ERISA), and other government agencies.

The AAWD Retirement Solution is built around the 5 issues employers want solved:

1 Easier to Administer 401(k) Plans

With the AAWD Retirement Solution, employers outsource the functions and liability of the retirement plan administration. **TAG becomes each employer's Retirement Plan Support Team in action and accountability. TAG eliminates a majority of your plan administration burden, allowing you to focus on your business.**

2 Compliant 401(k) Plans

Employers are faced with a voluminous number of regulations, documentation, record keeping, and tasks that come from both DOL and IRS requirements. These would include, but are not limited to signing and being accountable for the accuracy of the Form 5500, verifying the results of the non-discrimination testing, tracking contribution and eligibility to ensure compliance with ERISA guidelines, processing new enrollees, coordinating your annual audit (if applicable), processing loan and hardship requests, and processing distributions. **TAG, as the ERISA 3(16) Plan Administrator on each retirement plan, takes on the oversight and execution of the tasks required to keep each plan compliant.**

3 Substantial and Well-Known Providers

Since 2002, TAG has been offering aggregated retirement services. TAG works with well-known Recordkeepers and Investment Managers.

4 Protection from Fiduciary Liability

TAG takes on the highest level of fiduciary liability by serving as a signatory ERISA 402(a) Named Fiduciary on each plan in the TAG Retirement Program. In addition, under the 3(16)/TPA Fiduciary Overlay Solution, TAG serves as the ERISA 3(21) Non-Investment Fiduciary. This makes TAG responsible and accountable for operational oversight. 3(38) Fiduciary Services from an Investment Manager is not included, however, may be an optional appointment at the Plan Sponsor's discretion.

5 Pay Reasonable Cost

Leveraging the aggregation model, The Prototype Plan™, results in minimal billables to employers with retirement plans in the TAG Retirement Program | 3(16)/TPA Fiduciary Overlay Solution. This allows monies that would normally be spent on fees, to instead be used for enhancements to the retirement plan offering.

The AAWD Retirement Solution powered by the TAG Retirement Program | 3(16)/TPA Fiduciary Overlay Solution is competitively priced.

Pricing for services include, but are not limited to: record keeping fees, document fees, plan design services, profit sharing design and on-going calculations, compliance and disclosure notifications, annual testing, loan administration, hardship determination and administration, tracking employee eligibility, and filing/signing Form 5500.

For larger plans that require an annual audit, TAG has negotiated a significant price reduction for the audit conducted by an independent audit firm. TAG prepares the data, contributing to the efficiency and cost reduction of the audit process. Audits are conducted on the premises of TAG Resources, thereby, not interrupting employers' daily business.

The bottom line is that for every plan, TAG acts as the companies' 401(k) Support Team so they don't have to be a retirement expert. We are the buffer between the Plan Sponsor, the DOL, and the IRS to keep their plan compliant. TAG's experts make the decisions, take responsibility for those decisions, and take away one more thing that might keep them awake at night. We do all of this at a comparable price with plans that do a lot less.
